Dioxin poisoning

www.dioxinnz.com

The website for the people of New Plymouth and New Zealand a non profit website which is dedicated to issues of “Dioxin” which has impacted many people in New Zealand

Email: dioxinnz@gmail.com

Mail List: <http://dioxinnz.com/mailman/listinfo>

Did you live in Paritutu or worked in or near the IWD plant (now Dow AgroSciences)?

Did you worked with fertilizer which was mixed with 2,4D?

You may have excessive levels to dioxin and this maybe the reason for your unexplained sickness you are suffering.

You need to join our mail list and be kept informed.
